#### Product Description

#### Company Info

##### Basic Info.

Model NO.	PET color masterbatch
Color	Customized
Model Name	Color Masterbatch
Addition Rate	1%-4%
Payment	T/T L/C West Union
Model	Pet-Green
HS Code	32041700

Carrier	PET
Certification	ISO, SGS
Application	Below Film, Injection, Extrusion, and So on
RoHS Index	Environment-Friendly
Usage	Household Appliance
Origin	Fujian, China

#### Product Description

##### Description

##### PET color masterbatch for pet sheet extrusion and gold abs masterbatch pellet

High quality PE PP PET color Masterbatch for molding injection and blowing films.  
Popular colors: White, Black, Red, Yellow, Blue, Green , Orange.  
Customized colors are welcome.

##### 1. PET masterbatch for water bottles.

Colors: PET transparent blue, green, orange, red, lilac, etc.  
Our PET masterbatch are widely used for carbonated bottle, mineral water bottle, pesticide bottle, oil bottle, beverage bottle, cosmetic bottle, medicine bottle, jar etc.

SPECIFICATION DATA SHEET			
ITEM	UNIT	VALUES	METHOD
Color	-	Transparent Blue	-
Colorant	%	10	-
Melting point	°C	245-252	ISO11357-3:1999
Melt mass-flow	g/10min	38	ASTM D-1238
FPV	bar/g	0.05	DIN-EN 13900-5
Intrinsic viscosity	dl/g	0.495	GB17931-2003
moisture content	%	≤0.1	ASTM D6980-04
bulk density	g/ML	0.907	GB/T 1636-1979
color difference△E	≤	0.3	△E≤0.5

##### 2. PE PP ABS masterbatch blowing film,injection.

Colors: red, blue, yellow, green, orange, purple, silver, etc.

Customized colors are welcome.

Base Resin	HDPE, LDPE, LLDPE, PC, PET, PS, ABS, PA
Colorant	10-75%
Density	1220 Kg/Cubic Meter (23 Celsius)
Ratio	1%-3%, it depends on products requirement.
Heat resistance	180-300°C. Adjustable according to customer's requirements
Moisture	0.1%
Appearance	Granule with equal size and color
Others	No Toxic Ingredients, Good Pintable
Advantage	Virgin resin, with high color concentration, good Brightness, excellent Migratory, Etc
Application	<b>Film</b> (shopping bags, cast film, multi-layer film, agriculture fim,etc.) <b>Blowing Molding</b> (medical bottle, cosmetic containers, wattle bottles) <b>Extrusion Molding</b> (sheet, pipe, tubes, wire & cables, etc.) <b>Injection molding</b> (House ware products, furniture, toys, electronics, automotive parts, construction products, etc.)

### Why Choose Us

- 1) 20 years experience on masterbatch
- 2) Customized service according to your inquiry
- 3)Competitive price with no middleman in trade
- 4)Advanced equipments for testing and manufacturing
- 5)24 hours after-sale service
- 6)Free sample

### Storage:

keep in the dry and cool room

#### Usage ratio:

adjustable to different product requirement

#### Application:

1. Textile ( Carpet, non-woven, etc.)
2. Film ( shopping bags, casting film, multilayer film, stretch film, etc.)
3. Blow Molding ( Medical & Cosmetic container, Lubricant & Paint container, bottle blowing etc)
4. Extrusion Molding ( sheet, plate, hollow plate, Pipe, Wire, Cable, etc.)
5. Injection Molding ( Automotive, Electronic, Construction, Housewares, Furniture, Toys, cutlery, buckets, etc.)

### Package & Shipping

Packing Details : 25KG/Carton(bags)

Delivery Details : Shipped in 7 days after payment

### Company Profile

we are a recognized Chinese leader in color, additive and performance solutions for plastics. Plastics processors around the world rely on yifeng Masterbatches to help enhance the market appeal or the end-use performance of plastic products, packaging or fibers. We deliver:

- 1.A diverse portfolio of standard and custom color and additive products
- 2.More than one thousand color matches completed each year
- 3.A majority of all orders are custom formulated
- 4.Continuous technical innovation
- 5.In-depth market knowledge and expertise
- 6.Solutions towards more sustainable products

### FAQ

#### 1. How to use masterbatch?

Simple for using, just mix up with the resin granules according to the dosage ratio under appropriate temperature.

#### 2. Can I get a free sample?

samples under 5kg are free. freight charges will be at your account, but the charges will be return to you in your real order. Kindly send us your address, we are honored to offer you samples.

#### 3. How about the quality control of your products?

- 1) We pay great attention to quality control from raw materials to finished products, each production link meets the quality system of ISO9001-2008. 2) All products meet RoHS standard.
- 3) All products are approved by SGS.

#### 4. What's the shipping freight?

It will depend on the volume and weight of the materials. Pls. tell us the nearest seaport or airport, we can quote you specially.

#### 5. What is the shipping terms?

Flexible shipping terms: FOB, EXW, CFR, CIF.

#### 6.What is the payment terms?

Flexible payment terms: T/ T, Western Union, Paypal, L/ C.

#### 7.Do you have any MOQ limit for trail order?

No, we don't have.

#### 8.How to confirm the Product Quality before placing orders?

You can get free samples for some products,you only need to pay the shipping cost or arrange a courier to us and take the samples. You can send us your product specifications and requests,we will manufacture the products according to your requests.
